Defence Headquarters	Abuja	34 km
Naval Headquarters	Abuja	35 km

Advisories and named areas

No US Level 4 advisory state here.

Named danger areas: [Abuja–Kaduna highway and rail corridor](#)

Limits

- ACLED counts recorded events. Rural violence is under-reported everywhere, and more so where journalists cannot go.
- Levels summarise twelve months; a road can change within days. Current advisories and local security briefings outrank this report.
