Military installations within 150 km

None on record within 150 km.

Advisories and named areas

US travel advisory: Gombe State — Kidnapping (Level 4, do not travel).

Limits

- ACLED counts recorded events. Rural violence is under-reported everywhere, and more so where journalists cannot go.
- Levels summarise twelve months; a road can change within days. Current advisories and local security briefings outrank this report.
